Datacom Kit

This deluxe holster kit contains all the tools needed to install or maintain data and voice patch panels and outlets. Rugged quick-release holster keeps your tools handy and ready to go! Form-fitted PVC material ensures that tools don't fall out - even if upside down. Quick-release belt clip provides easy-on/easy-off. Swivel action allows the holster to move with you and keeps tools out of the way. Optional light connects to the impact tool for those low-light jobs, and is stored in the holster when not in use. One-year warranty.

Includes:

- Professional Impact Tool
- Reversible 110/66 Blade
- UTP/STP & flat satin Stripper/Cutter
- Datacomm Scissors
- Mini Maglite with 2 AA Batteries
- Black Sharpie® Pen
- Quick-Release Tool Holster

JTK-2100W & JTK-2100WM ALSO INCLUDES:

- MODAPT, RJ-45/RJ-11 Adapter
- Punch-Down Tool w/110 Blade
- CableTracker Toner
- CableTracker Probe
