

JTK®-94 Series Deluxe Industrial Kit

JTK®-94 features a robust set of "larger tools". Because of the high weight factor of this kit - 54 pounds - a Roto-Rugged™ heavy-duty wheeled case is used. This case features a rotationally molded polyethylene shell, four ball-bearing recessed rubber wheels, locking telescoping handle that extends to 41" and steel curb/stair skids on bottom. This is one heavy-duty tool kit!

Not pictured: JTK-94WD case features heavy-duty 1/4 turn latches, spring-loaded handles and padlock hasp. Does not include combination lock.

Features:

- For the technician who may require larger tools
- Ideal for servicing remote sites or mechanical work
